### Mother's Day Special Assembly

Mother's contribution in a child's life cannot be measured or quantified. It can only be felt.

To celebrate the unrequited love and support of a mother, a special assembly was conducted by the students of class XI on 11 May'19. The students showered their love and affection on their mothers through various heartfelt thoughts. They also presented a beautiful skit, dance performance and the soulful song 'Teri mitti me mil java' sung by the students choked everyone's throats with tears and love. The assembly was concluded by the thought "God couldn't be everywhere, that's why he created mothers." Our respected Principal mam Ms. Neelima Jain appreciated and applauded the efforts made by the students and expressed her heartfelt gratitude for the special day.
