

# WORKSHOP ON CYBER SECURITY AT MODERN SCHOOL , SECTOR-17 , FARIDABAD

In order to create awareness amongst the pupils of the 21<sup>st</sup> century about the Cyber Crimes & Cyber Safety , A workshop on Cyber Security was organised for the students of class VI – XII at Modern School , Sector-17, Faridabad on 24<sup>th</sup> December 2019 at Mahavir Auditorium of school. Dr. Nirmal Kapoor , Senior Academic Coordinator addressed the gathering and Guest was given floral welcome by Mr. Chanderpal Yadav ,Vice Principal of the school. Mr. Arun Soni, CyberCyst and writer from Navdeep Publications had kindly consented to conduct the session for the students.

The workshop was about Cyber wellness, including Cyber crimes , Cyber Security & Cyber Safety. The Resource person MR. Arun Soni discussed the various possibilities of Hacking & Cracking. He also emphasized on the importance of being aware of surroundings. He pointed out the inappropriate use of the internet is a major issue with school going students. Right orientation and proper parental awareness can restrict the problem to some extent.

The entire session was meticulously designed and executed. After the session, doubts of the students regarding internet issues were also clarified.
