## From Principal's Pen -

"A clear vision, backed by definite plans, gives one a tremendous feeling of confidence and personal power."- Brian Tracy  
Modern School Faridabad has always made a mark in the field of excellence. This is rather consistently and diligently raising the bar of excellence year after year. I feel proud to share that this year too, the young Modernites of class 10 and 12 achieved excellent accomplishments in CBSE Board Exams - 2023 with 100% result and 97.4% as highest marks in aggregate to its credit in class 12 and 30 students out of 165 scoring more than 90% in aggregate. Likewise in class 10, 97% as highest marks in aggregate and 30 students out of 147 students scored above 90% in aggregate.  
Not only in the Board Exams, my students, teachers and parents deserve a word of appreciation for their persistent hard work, as they have touched heights in the Home Examinations, sports and co-curricular activities too. Their multifarious achievements are being recorded in the newsletter of the school published every three months for your perusal.  
My sincerest thanks to the members of the Managing Committee for their motivation and support at every step.

The school adopts an approach to pedagogy that fosters critical thinking skills among students and provides a conducive learning environment.

In addition, various other pedagogical approaches are employed to enhance the effectiveness of the learning process.
